Telephone call to go over reasons for original refusal of Lawful Development (ref 3/23/2141/CLPO)

Reason 1, was not considered to be incidental to the enjoyment of the dwelling house - we have now considerably reduced the size of the pool house, which is for the resident and his large family.

Reason 2, it would be sited forward of the principle elevation. This is incorrect, the proposal sits well behind the principle elevation of the house which faces the highway, as shown on the blue line.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land
