## SUPPORTING STATEMENT

Figure 1. Photo of new signage to the Henderson Street elevation

This statement supports the application for Listed Building Consent for the ground floor commercial property at 40 Henderson Street, Bridge of Allan. This application concerns the display of advertisement signage on the principal elevation of the category B listed building.

Two new signs are proposed as follows:

- Folded Dibond panel with wrapped edges, screw fixed to the existing fascia with hidden fixings. Face of sign 5500mm x 870mm, return size 50mm.
- Folded Dibond panel with wrapped edges to form double sided protruding sign suspended from existing rail. Face of sign 500mm x 500mm, thickness 20mm.
- Both signs will feature the brand colour for the background, dark blue colour R,G,B: 0,31,57 (closest RAL code 5003)
- The signs will not be illuminated.
