

Access from Hayfields – Agreement in Principle, Subject to Contract 04/08/2023

Dear Hugh

It was a pleasure to meet you last week at Elsfield Way to discuss your potential residential development and the access through the Cannon Court car park.

After consideration we are prepared to grant you access over the car park; this is subject to us formally agreeing terms and reaching an agreement on the value of the land.

As I mentioned, I am on holiday from today until Monday, 21 August. I will draft some more formal terms on my return and would hope that we can fairly quickly reach an acceptable agreement.

Kind regards

Ted
