

Notes:

1. If this drawing has been received electronically it is the recipients responsibility to print the document to the correct scale.
2. All dimensions are in millimeters unless stated otherwise. It is recommended that information is not scaled off this drawing.
3. This drawing should be read in conjunction with all other relevant drawings and specifications.
4. All boundaries, dimensions and levels are to be checked on site before construction and any discrepancies are to be reported to the Architect.
5. For the purpose of coordination, all relevant parties must check this information prior to implementation and report any discrepancies to the Architect.
