Details of the pre-application advice received

The proposed erection of an extension to the rear elevation of the dwellinghouse would not constitute permitted development by virtue of Schedule 2 Part 1 Class A of the Town and Country Planning (General Permitted development) (England) Order 2015 (as amended) and therefore requires formal planning permission.

The proposal is acceptable in principle and should not adversely impact the character of the area, the residential amenity of the occupiers of the neighbouring properties and should not result in a loss of driveway parking.

It is likely to receive officer support should a formal application be submitted.

## Authority Employee/Member

**With respect to the Authority, is the applicant and/or agent one of the following:**

**(a) a member of staff**

**(b) an elected member**

**(c) related to a member of staff**

**(d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

Yes

No
