

current FRONT ELEVATION

Materials - (Lozenge) - secured to small steel back tray behind lozenge 830mm x 420mm, Vinyl detail over lozenge 10mm opal Perspex push through letters with colour vinyl. The signage shows the raised lettering of " O'Connell " and the raised lozenge shape which will be flat with printed vinyl applied. This is fitted to the original wood fascia and using screws through original holes applied from previous lettering - the sign covers no glass and sits discreetly above the door.
