

Site: Hermits Cottage, The Green, Dinton, HP17 8UP

T1 Cherry in vegetable garden

Reduce in height by 20% to promote lower fruit growth

T2 Fig – Reduce all round by 25% to contain

T3 Hazel on frontage – Reduce all round back to previous pruning points

T4 birch overhanging pond - Reduce over pond to give 1 m clearance

And to allow a greater ingress of light

G1 Trees either side of Cedar - sycamore and horse chestnut

Reduce sympathetically to try to create some separation between canopies

T5 Oak on frontage – crown lift to 4m from ground level and thin reduce by 15% to contain

By removing up to 1.5m apical and lateral growth
