

Good afternoon Jill

Further to your call with the consultant overseeing the project. I have below the information you require. The fee has also been paid over the phone.

The Georgian style sash windows, black ral colour 9005, two sizes we are using below. The smaller sizes are the top floor windows and the larger and the ground and first floor.

H1193x W1193
HH-1807

H1700x W1200
HH-2116

The front door will be made of solid oak. Ral colour 9005 black.

The external stone will be soft natural sandstone in yellow from the manufacturer below.

I also attach the completed application form.

Kind regards,

George
