Subject: Requests for further plans for planning application - Notification of Invalidity Letter for Application No 24/0002/FFU

Good Afternoon,

I am emailing in response to your email below for further information required for the planning application for 15 Lorraine Road, Camberley, Surrey, GU15 4EF, Proposed: Installation of an air conditioning unit to the rear elevation. Ref: 24/0002/FFU.

You have requested an Existing and Proposed block plan (typically at a scale of 1:500) - in which we (myself and Adam Cowee) are able to provide though request a plan.

With the requested Existing and Proposed elevation plans (typically at a scale of 1:50 or 1:100) due to the size of the air con unit in proportion to the building, the air con unit is likely to be so minimal and small, this may not be adequately visible, would it be more beneficial for us to provide photos of the unit on to show the elevation? We are also mid terrace, side view would be limited to reflect that in any drawings.

We are keen to provide you with what you need and look forward to your further help on our application.

Kind Wishes,

Rachel Hitchman and Adam Cowee

(15 Lorraine Road)
