

Pre-planning application (DES)

Case reference: FS585416504

Submitting a Pre-planning application

Submitting a pre application (Development of Enquiry Service). From January 2019.

When you submit your pre application please note that all of these applications, except initial scoping meetings, will normally be in the public domain and can be viewed by anyone using our Public Access service. If you feel that your application contains commercially sensitive information you are advised at the very start of the application process to contact us and set out why your application should be restricted from public view. You should also state whether this should be all or part of the information submitted and when you consider the information can be made public. You will be asked to acknowledge if you wish to proceed during the electronic process below. You are also asked to read the following information with regards to Freedom of Information and Environmental Information Regulations requests that may be made by anyone with regards to your application.

If the Local Planning Authority receives a request, under the Freedom of Information Act (FOI) or Environmental Information Regulations (EIR), to disclose information relating to this pre-application enquiry they are obliged to do so unless the information is deemed exempt under the FOI or EIR Acts.

We can only withhold information under FOI or EIR if the information falls under one of the exemptions (FOI) or exceptions (EIR) set out in legislation for commercially sensitive information.

If we cannot agree with you on the sensitivity of the information you submit then you will be given the option not to proceed with the pre application. The Council maintains compliance to the Data Protection Act and we will not release any personal information to third parties.

Do you wish to proceed with your application: Yes

Does your application contain Commercially Sensitive information: No

About this form

Freedom of information/Environmental Impact Regulations:

We may be advised to release documents if we receive a Freedom of Information request or Environmental Information Request and our file notes will form part of the public file if an application follows. If the information you provide includes commercially sensitive or confidential information this should be clearly stated at the start of the submission. We can then take this into account should a FOI/EIR request be received.

Would you like to comment regarding FOI/EIR: Yes

Please provide your requests and reasons here: The building is within Devonport Royal Dockyard and used for a critical function and all future documents will be labelled as "Official".
