Dear Sir/Madam,

Town and Country Planning Act 1990

APPLICATION NO: 13/02037/FUL

SITE: 1 BEAUCHAMP ROAD, PLYMOUTH, PL2 3PZ

DEVELOPMENT: Erection of dwelling

Please find enclosed the Planning Decision Notice for the above site. This permission relates to the submitted plans which are listed and the development should be carried out in accordance with the details shown unless prior consent has been obtained in writing from the Local Planning Authority. Failure to comply with the approved drawings could result in enforcement action being taken.

It is important to note that applications for approval under the Building Regulations are dealt with separately from applications for Planning Permission. You should not commence works until all necessary consents have been obtained.

APPEAL

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice.

Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN or online at www.planningportal.gov.uk/pcs.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICE

If either the Local Planning Authority or the Planning Inspectorate grants permission to develop land subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor can they render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. If confirmed, this notice will require the Council to purchase interest in the land in accordance with provisions of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is granted subject to conditions by the Planning Inspectorate on appeal or on reference to the application to him.

These circumstances are set out in Sections 114 and related provisions of the Town and Country Planning Act 1990.
