

Supporting images in respect of Application for Prior Notification of Proposed Agricultural or Forestry development – proposed building

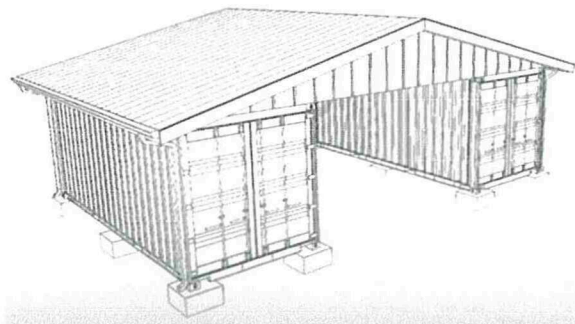

Applicant – Dawn Dickinson, Prospect Barn, 4 Prospect Lane, Witherwick, HU11 4UB
dawndickinson03@gmail.com

The Application relates to Town and Country Planning General Permitted Development Order 1995 schedule 2, parts 6 & 7 Class E – forestry developments seeking permitted development for the erection of a building.

The location of the Forest that requires the development is shown verged red on the image below and is known as Land South East of Manor House Farm, East Lambwath Road, Witherwick.

The works include improving a small section of the existing track and the placing two 20 foot shipping containers 4 metres apart with a profiled steel sheet cladded roof to create a wood drying area (see visual below). The first shipping container will be used for the storage of forestry machinery/equipment and tools and the second shipping equipment for the processing (cutting and splitting) of the felled timber. The spanning roof will support solar panels providing an off grid energy solution for lighting etc.
