Comment Reasons:

Comment: This is a lovely restaurant with amazing people in charge that care about their customers and their neighbours.

I have personally had a private function here and attended other functions. The staff have always made sure events run smoothly without any bother to the surrounding areas and neighbours. As a community we need places like this in our area to make sure we can enjoy our special events in nice spaces without having to travel far for everything.

I definitely support the marquee and would recommend that permission be given.

Thank you
