Description of Proposed Works

Please describe the proposed works

Replace the existing ill fitting and rotten wooden framed windows (6 off) and the equally ill-fitting and badly corroded metal framed windows (2 off) with new custom made wooden framed windows.

The existing windows were installed in 2010 per 10/04842/Full and were largely recycled 2nd hand windows which were poorly installed and single glazed. The proposal is to replace these 2010 windows with custom-made, mortice and tenon construction windows rebated to take slimline Krypton gas filled double glazed windows. Where stone mullions exist in the existing windows these will be retained. It is intended to paint the windows with a close match to existing colour.
