Dear Tegan

The trees are actually at the Forman's Cottage. The postcode is actually CB11 4TL but I couldn't bring that up on the Planning Portal. I have just been told that the house was called Tanglewood at one stage which may be why.

I hope these assists. If you need a further plan, please do let me know.

Kind regards

Judi

Good afternoon,

Thank you for your recent application for works to trees at Audley End Estate.

Could you please provide a clear location plan outlining the location of the trees? From the TPO number you have provided I am currently struggling to locate the trees.

Once this has been received I will be able to validate your application.

Kind Regards,
