Dear Sirs

Further to your letter of the 28th October, we can confirm that having spoken to our surveyor we are of the opinion that the local council would have requested planning permission if it had been required as they gave Building regulation approval and passed the property on a final inspection.

We can also confirm that the land edged green on the plans forwarded to us will not substantially affect the valuation on the property, therefore special condition 7 may be deleted.

If you require any further information, please do not hesitate to contact this office.

Yours sincerely,

Mr P Balaam.
