Dear Mrs Cole

South Cambridgeshire District Council
Application for Works to Trees Protected by a Tree Preservation Order

Proposal: T1 - Two Limes in front at x12ms in height. Repollard equating to a reduction of regrowth of approximately 2.5ms to leave at x9.5ms in height. The reason for works is the management of the 2 Limes which have been previously pollarded. The regrowth now requires reduction to maintain the pollarding regime and prevent limbs breaking out from pollard points.
