

Carriage House Calculator Prefabricated kit for self build, big savings off RRP, nationwide delivery

Step 1: Select your preferred type of roof

Either

22° pitch felt roof supplied with high performance mineral felt on 15mm osb deck

Or

35° pitch trussed rafter roof to suit slates or tiles up to a design load of 878 N/m² (this provides a building ready for tiling, but excludes tiles, battens and felt)

Step 2: Choose your Carriage House

Either

Single Bay Unit

Or

Double Bay Unit

Or

Triple Bay Unit

Select Size: here

Single Carriage House 3.0m x 4.8m

Step 3: Do you want to join a Garage to one end of your building? Yes

A Garage comes with a secure full height partition and robust side hung garage doors

Select a Left Unit

Select a Right Unit

Select Size:

Garage 3.6m x 4.8m add £3823
