### Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

## Biodiversity net gain

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

- Yes  
 No

Please provide the pre-development biodiversity value of onsite habitats on the date of calculation

0

Note: This is either on the date of the application, or an earlier alternative date you seek to agree with the planning authority

Please provide the date the onsite pre-development biodiversity value was calculated

08/02/2024

If an earlier date, to the date of the planning application, has been used, please provide details why this date has been used

Which version of the biodiversity metric was used?

The Sutton impact Calculator v1.5

When was the version of the biodiversity metric used published?

08/02/2024

Please provide the reference or supporting document/plan names for the:

- i. Biodiversity metric calculation
- ii. Onsite irreplaceable habitats (if applicable)
- iii. Onsite habitats existing on the date of the application for planning permission (if applicable)

**Document/Plan:**

**Document name/reference:**

The Sutton impact Calculator v1.5

Note: you must supply a complete biodiversity metric calculation with your application

Does the pre-development biodiversity value and date used above factor in the loss of any onsite habitat because of activities carried out before the submission of this application?

- Yes  
 No

Please provide the pre-development value of the onsite habitat before these activities were carried out

0.10

Please provide the date the pre-development biodiversity value was calculated?

08/02/2024

Please provide supporting evidence

Please see Biodiversity Net Gain Assessment

Does the development site have irreplaceable habitats (corresponding to the descriptions in column 1 of [Schedule to the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations (2023)]) which are:

- i. on land to which the application relates; and
- ii. exist on the date of the application for planning permission, (or an earlier agreed date)

- Yes
