Permanent

Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The application is for a hip to gable roof extension at second floor level and the installation of 2 no. Velux rooflight to the front roof slope. All materials are to match existing, the front rooflights do not extend more than 150mm from roof slope and the overall cubic content is under the 50 cubic allowance. No part of the development will have a height higher than the height of the highest part of the existing roof. No verandah, balcony or raised platform is being formed. There is no installation, alteration or replacement of a chimney or flue proposed. There is no installation, alteration or replacement of solar photovoltaic or solar thermal equipment proposed. The development is therefore compliant with Class B, Class C and Class G of the General Permitted Development Order.
