

This application is to apply for advertising consent to display signage on a commercial property (Studio Soma Ltd Pilates and Personal Training studio).

I have had advice from a planner who advised me to apply for consent with the local jurisdiction.

Attached to this application are mock images of signage and measurements of signs.

This request for advertising consent relates the unit located at 36B Crimscott Street, London, SE1 5YQ. The request is for consent to install signage over the door and windows of the property.

The signage will consist of personalised one-way vision window film used to advertise the business as well as create privacy for the studio. There will also be a blade sign extending from the building so the business name can be seen when walking down the street.

The window film will be fitted to the exact measurements of the windows and doors.

An example of what this will look like can be seen at 3Tribes, Unit 1 - 3, Brandon House, 4 Marshalsea Rd, London SE1 1LH.
