### Licence for work to tree(s)

The Incorporated Trustees of The Dulwich Estate, as Managers under the Scheme of Management, give consent for the works specified below:

1. Address of property

4 Giles Coppice.

2. Specie and Location of Tree

An Oak tree approximately 10m in height, situated on the bottom boundary of the rear garden. The tree is a little dense and low growing.

3. Description of Approved Works

Crown thin by approximately 15% including the removal of any dead wood, lifting of low wide spreading branches by pruning at the main trunk, and the necessary shaping of the tree, ensuring the height and basic shape is retained. It is important to prune branches at convenient growth points, rather than an all-round reduction or pollarding which is **not** permitted.

4. Details of Replacement Required

None.
