**Conclusions**

It is considered that the proposal is likely to be acceptable with regards to the impact on visual amenity, street scene, character of the surrounding area, AONB and impact on heritage assets and neighbouring properties amenity.

Should you decide to pursue an application you should consult our Local List for details of validation requirements. This is available at;  
<http://www.chichester.gov.uk/planningadvice> .

It is considered that you would likely need the following from the list to accompany a formal planning application:

- Application form
- Application fee
- Certification
- Design and access statement
- Scaled location plan, site plan, roof plan and elevations - existing and proposed
- Community Infrastructure Levy

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
