Subject: Application No 24/0037/FFU

Dear Sir/Madam,

I hope this email finds you well.

I'm emailing with regards to the letter of invalidity we received for 1 High Street, West End, Woking, Surrey, GU24 9PL. The new planning application submitted, with reference number PP-12753673, is meant to have the address '1 High Street', not '1A High Street'. Unfortunately, 1A was the only option on the Planning Portal.

With regards to the other point, the additional payment of £320 will be made by the client in the coming days.

Kind regards,

Harry Philipson-Stow BA
