

Proposed Ground Floor Plan

GENERAL NOTES

All dimensions are to be verified on site prior to the commencement of any site works. Any variations are to be recorded and reported to the engineer so that the adjustments may be made to the structural scheme if necessary.
 Work to figured dimensions only. All dimensions, setting out and levels are to be verified on site with the architect prior to the commencement of any site work.
 The contractor shall be responsible for and must take all necessary precautions to ensure the stability of the desisting structure and earthworks on adjoining sites during the course of the contract.
 Materials and constructions are to be in accordance with the relevant British Standards and Codes of Practice.
 Any services or drainage which pass through the foundation are to be encased in a flexible sleeve.
