Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

The proposed works are to remove an internal wall between 2 modern extensions at the rear of the property to enable me to transform a very small galley style kitchen into a family sized room. The wall is between the existing Kitchen and dining room. The proposed changes will not be visible from outside and in no way will change the character or the historic viewing of the property. It will make the kitchen into the appropriate size for a 3 bed family home.
