Good morning Harry,  
All the gates appear spot on, I will add these to the file.  
Here are those protected PTE buttons, either is fine. If you have another provider – that's fine too. Just need them to do the same job.  
See what works best for you.  
Kindest regards Karl.

Good afternoon Karl,

Please see attached gate design to add to the Police file. – could you also please send a link to the desired PTE housing?

Also, are we correct in thinking that from an SBD point of view, it is wise to not add 'Cycle Store' signage on the external doors to the cycle stores?

Kind regards,
