Left: Hadlow Road Railway Station and Right: The Station Master's House

Left: The light as installed in retrospect; Right: the signage has been moved so that the sign is non illuminated. This elevation faces the car park.

Left: The antenna as installed in retrospect; Right: the antenna has been painted brown to match the brickwork to make it less noticeable. This elevation faces the platform.

Left: The Courtyard prior to the roof installation; Right: the courtyard with the roof installation as seen from the platform.

The courtyard in use as part of the Station Master's House café.
