Take Notice: These Drawings are project-specific and produced based on the agreed brief for the named client's benefit only and are subject to future revisions and updates. Copyright of these designs and drawings remains with Bondstones. The responsibility of using the latest version of the drawings lies with the user. Where planning permission is necessary, the contractor must verify that full consent has been granted. The drawings represent initial design concepts and are not intended to serve as definitive technical or construction documents unless clearly stated. Their use or modification for any other project or construction purposes without written approval absolves Bondstones of all liabilities arising from such usage. Complying with current Building Regulations and other relevant requirements is the contractor's responsibility during subsequent stages. All contents are prepared based on available site information. Bondstones is not liable for discrepancies arising from unforeseen or undisclosed site conditions. All dimensions must be verified on-site prior to commencing any work related to the project. Drawings must not be reproduced, enlarged or copied as scaling errors may arise - written dimensions only to be followed. The drawings and designs may not be duplicated or reproduced without our written consent. If in doubt; Ask!
