○ Yes② No		
Has the proposal been started?		
○ No		
Grounds for Application		
Information about the existing use(s)		
Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to		
alter or extend are lawful		

Planning permission was granted (PA22/10825) on 14th February 2023 for the 'Demolition of existing garage/store, replacement oak frame garage/store with annex accommodation over and detached garden studio/gym building'.

The Planning Approval Condition states:

'The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission'.

We confirm that the detached garden studio/gym has been constructed under Phase 1 of the works and was finished in January 2024. A photo of the Studio has been attached with the application as evidence. Phase two of the project will be the construction of the Annex.

As the development has been begun within 3 years, we believe that planning permission has been implemented for both the gym and the garage/annex. We would therefore now like formal confirmation from Cornwall Council Planning by a Certificate of Lawfulness that the proposed future construction of the Annex is lawful and can be undertaken outside of the 3 year time limited condition.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

PA22/10825 - Demolition of existing garage/store, replacement oak frame garage/store with annex accommodation over and detached garden studio/gym building.

PA23/03782 - Non material amendment in relation to decision notice PA22/10825 dated 14/02/2023 Reduction in size (length) of proposed studio outbuilding
