

Heritage Statement: Planning Application

**London House, Hart Lane, Ruardean GL17 9UT**

This planning application is referring to the change of use from commercial shop and Post Office to residential at London House Hart Lane Ruardean.

We have no intention of altering the appearance or character of any part of the building and no building works are being carried out. The shop front will remain the same to maintain its frontage within the conservation area. Shop signage will be removed. **See shop front drawings included with application.**
