Dear Sir/Madam

NOTIFICATION UNDER THE TOWN AND COUNTRY PLANNING (TREE PRESERVATION) (ENGLAND) REGULATIONS 2012 – PART 3

REFERENCE NO: 24/00390/DDCA
PROPOSAL: T1 - Plum Tree - Reduce and shape by 3m to below the dead branches so we remove the dead-on top of the tree as the tree is next to the road.
LOCATION: Paddock House, Horseshoe Lane, Ibthorpe, Andover

Further to your notification received on 19th February 2024, I am able to confirm that part of the tree is of a condition to fulfil the description of being dangerous for the purposes Regulation 14 (1) (c) of the Town and Country Planning (Tree Preservation) (England) Regulations 2012. This exemption allows you to carry out such works only in so far as are urgently necessary to remove an immediate risk of serious harm without further notification to, or consent from, this authority.

If further works to the tree are required please submit a formal Application for Tree Works – forms can be found on our website at <http://www.testvalley.gov.uk/planning-and-building/formsfees/treesandhedgerows/application-tree-works-works-trees-subject-tree-pr>

I would be grateful if you could email planning@testvalley.gov.uk when you know the date of the intended works.

Yours faithfully

Simon Finch
Head of Planning and Building Service
