Description
Please describe details of the proposed development or works including any change of use
At present the building and yard have permission for vehicle dismantling.
We want to change the use to the storage of building material, predominately compressed wood fibre insulation and bags of ready mixed lime
mortar. We also want to manufacture Silic8 which is a mineral based primer for lime render/plaster.
Part of the existing office space will be used for running courses to demonstrate the use of our products, the remainder will be office space.
We do not propose any change to the building or yard at present.
