**General**  
The contractor must check and verify all site and building dimensions, levels, utilities and drainage details and connections prior to commencing work. Any errors or discrepancies must be notified to Alpha Surveys immediately.  
The accuracy of the digital data is the same as the plotting scale implies. All dimensions are in metres unless otherwise stated.  
The survey control listed is only to be used for topographical surveys at the stated scale. All control must be checked and verified prior to use. Please do not scale from this drawing.
