Waste Management

This statement has been prepared to support the full planning application for the construction of 1 dwelling.

Proposal

The dwelling will have a bin storage unit made out of timber to house x 4 wheelie bins 240 litres in size (1060mm (h) x 577mm (w) and 715mm (d)). The location has been marked out on the proposed plans and will be sited in front of the south hedge row (close to the entrance to be put out). In addition the home will have a recycle bin located inside the utility room to separate recyclable waste into categories such as cardboard, glass, plastic and compost.
