Neighbour Notification Letter

Dear Sir/Madam

I am writing to advise you that I have received a prior notification application on the 16th February 2024 which relates to a property adjoining your own. If you are a tenant it would be helpful if you would pass this information to the owner of the property. The details of the proposed development are as follows:

**Address of the proposed development:
38 Lincoln Road Leasingham Sleaford**

**Description of the proposed development:
Single storey rear extension 5.95m in length from the original wall, eaves height of 3.06m and maximum height of 3.59m**

If you do not have any objections to the proposal then you need do no more. You do not need to contact us to say you have no objections. If you do wish to make an objection concerning the proposal then it must be made in writing in one of the following ways:

- Visit our website at www.n-kesteven.gov.uk/planningonline and search for the application and then use the “comment on this application” button.
- Send an email to planning@n-kesteven.gov.uk
- Send a letter by post to the address at the bottom of this letter

Comments must be made by . Please note that any representations submitted in relation to this notification will be available for public inspection and cannot be treated as confidential. The case officer dealing with this application is Clare Gray. All correspondence must include your name and address, the reference number and any objections you have to the proposed development, the correspondence needs to be clear and therefore if you wish to object, please do use the wording ‘I wish to object to the proposal’. A decision will be made by 29th March 2024 and will be available on our website.

Yours faithfully

Clare Gray

Further Information:

It’s important that you understand the following implications of whether or not you submit a representation to the local planning authority about the proposed development:

- If **any** of the owners or occupiers of any adjoining premises object to the proposed development, then the local planning authority **will** assess the impact of the proposed development on the amenity of any adjoining premises, and must take into account all representations made as a result of this consultation letter. The local planning authority will then decide either to give prior approval to the developer for the proposed development or to refuse prior approval for the proposed development.
- If **none** of the owners or occupiers of any adjoining premises object to the proposed development, then the local planning authority will **not** assess the impact of the proposed development on the amenity of any adjoining premises. The local planning authority will then confirm to the developer that prior approval is not required for the proposed development.
