

CONSULTATION TEMPLATE RESPONSE FROM LEICESTERSHIRE COUNTY COUNCIL:

ECOLOGY AND BIODIVERSITY PLANNING ADVICE

DISTRICT OR BOROUGH	Blaby District Council
APPLICATION NUMBER	24/0106/HH
ADDRESS	Cedar Cottage Broad Street Enderby Leicester Leicestershire LE19 4AA
DESCRIPTION OF DEVELOPMENT	Single storey front extension.
PLANNING CASE OFFICER	Tasneem Quareshy
DEPARTMENT	
ECOLOGY	
PLANNING ECOLOGY OFFICER	Dale Devereaux
DATE OF COMMENTS	20/02/2024
SUMMARY RESPONSE:	
No comment	
No objection	
Refusal	
Further information required	
Condition recommended	
Informative recommended	✓
REASON FOR RECOMMENDATION PROVIDED:	
<ul style="list-style-type: none"> The proposed single storey extension does not affect the existing roof structure and is unlikely to affect any areas suitable for roosting bats, therefore surveys are not necessary. However, the building is adjacent to two known bat roosts and has good connectivity to open countryside and woodland which offer good bat foraging habitat, therefore, the below Informative should be attached to any permission. 	
BIODIVERSITY NET GAIN (BNG) specific comments:	
<ul style="list-style-type: none"> N/A 	
FURTHER INFORMATION REQUIRED:	
<ul style="list-style-type: none"> N/A 	
AMENDMENTS RECOMMENDED:	
<ul style="list-style-type: none"> N/A 	
DOCUMENTS REVIEWED:	
LCC Ecology has reviewed (to be deleted as appropriate): <ul style="list-style-type: none"> Aerial photography 	

<ul style="list-style-type: none"> • Google Street-view • Species and habitat data • Applicant submitted information: Existing and Proposed Site Elevations, Site Location Plan, Proposed Layouts
RECOMMENDED CONDITIONS TO BE APPLIED:
<ul style="list-style-type: none"> • N/A
RECOMMENDED INFORMATIVES TO BE APPLIED:
<ul style="list-style-type: none"> • The property may be suitable for roosting bats, which are protected by law from harm. It is the applicant's responsibility to ensure that bat legislation is not breached, and therefore may need to consult with a licenced bat ecologist prior to commencement to ensure that bats will not be impacted by the works. The applicant should ensure that all contractors and individuals working on the property are aware of this possibility, as works must cease if bats are found during the course of the works whilst advice from a bat ecologist is obtained. Bats are particularly associated with the roof structure of buildings, including lofts, rafters, beams, gables, eaves, soffits, flashing, ridge-tile, chimneys, the under-tile area, etc. but may also be present in crevices in stone or brickwork and in cavity walls.
RECOMMENDED SECTION 106 REQUIREMENT (standard clause, contribution amount, trigger for payment)
<ul style="list-style-type: none"> • N/A
DISCHARGE OF CONDITIONS ONLY: (Please confirm which condition(s) is/are being discharged)
<ul style="list-style-type: none"> • N/A

Note for applicants: Please be aware that this specialist advice is provided to the Local Planning Authority through a Service Level Agreement between the Local Planning Authority and Leicestershire County Council.

If you have any queries about this advice, please correspond directly with the Planning Officer assigned to the planning application or discharge of condition application. We are unable to respond directly to applicant enquiries regarding the advice that we have provided as part of this service.

The following legislation is used to assist in the assessment of planning applications:

Legislation source	Reference
