Sirs,

A Notification in relation to the above is being submitted to you by email as an alternative to the usual Royal Mail First Class 'Signed For' service. This is in view of the challenges presented by the COVID-19 pandemic that has clearly permanently disrupted normal behaviour and practices, together with the uncertainty on delivery, brought about by recent strike action and our experience of the robustness of the postal system.

We thus attach the Notification, together with drawings and ICNIRP certificate. If you are able to confirm safe receipt, that would be much appreciated.

Regards

Alan Neale BSc (Hons) MRICS
