Details of the pre-application advice received

Alison Long provided feedback on the refusal of the previous application 23/03120 and suggested additional information be included in any resubmission. These suggestions have been included on the accompanying drawings where I have included a detailed internal layout for the proposed garage. The proposed size provides the minimum clear dimensions required by RBWM Planning Policy of 3 x 6m to accommodate a vehicle, leaving just enough internal space to the rear of the garage to store the family's bicycles, motorcycle and gardening equipment along with some built-in storage to the rear wall whilst still being able to move around these items when accessing the garage. We feel this adequately demonstrates that the proposed size is not too large and does accommodate purposes incidental to the enjoyment of the dwellinghouse.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No

Interest in the Land

Please state the applicant's interest in the land

- Owner
- Lessee
- Occupier
- Other
