

Demolition of shed and construction of detached single garage  
2 Church Road Herford Herfordshire SG14 3DP

Application Ref: 3/23/2112/HH

**Particulars in Support of Discharge of Condition 3:** *“Prior to any above ground construction works being commenced, the external materials of construction for the development hereby permitted shall be submitted to and approved in writing by the Local Planning Authority, and thereafter the development shall be implemented in accordance with the approved details.”*

### Wall Treatments

#### Facing Brickwork

External facing brickwork shall be in *“TBS Old Hanbury Blend”*. This is a red facing brick as shown in the photograph below, which is a close match to the existing brick boundary wall piers (right):

### Pebble-dashed walls

For brick/block walls not in face brickwork, these will be rough pebble-dashed and painted white to match the existing walls of the house (and the white pebble-dashed sections of the existing garden walls) (right):

### Ridge Vents

Ridge vents to be in natural Portland Stone (right):

## External Woodwork

All external woodwork to the front and side elevations will be painted in Farrow & Ball Light Gray (no. 17) paint (left). Woodwork to the rear elevation will be painted in Farrow & Ball Wimborne White (right):

## Roof

Roof tiles will be Heritage Clay Tiles “*Conservation Dark Blend*”:
