Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The original consent was based upon accessibility improvements by way of an access ramp. Subsequent site investigations have identified that the installation of a ramp which is compliant with regulations would be prohibitively extensive and hence costly for the charity. The proposal is to amend the plans to reflect the installation of a platform access lift in place of the ramp.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Amendments to the plans reflecting the access lift rather than access ramp.
