## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I wish to object to this application.

The conversion of the hairdressers to four flats never included any change to the external steps and flower beds and, despite what the applicant states, a change has already been carried out and the steps have already been removed.

The application states that all other owners in the block have been informed of this application by the applicant. I, as one of those owners, can confirm that I have not received any advise whatsoever.
