Dear Sir/Madam

Town and Country Planning Act 1990 (as amended)

Planning application for the installation of Electric Vehicle Charging Infrastructure on the carriageway adjacent to 9-12 Ace Parade, Royal Borough of Kingston upon Thames, KT9 1DS

Planning Portal reference: PP-12741043

On behalf of Transport for London (TfL) please find enclosed an application for full planning permission for the installation of Electric Vehicle Charging Infrastructure and associated works comprising two charging points on the carriageway, at the above address.

One feeder pillar, required to provide the power supply, will also be installed. This is permitted development and has been included in the application for information purposes only.

As part of the Mayor's objective to improve air quality in London, TfL has been tasked with expanding the network of charging points for electric vehicles across the capital. The Electric Vehicle Infrastructure Delivery (EVID) scheme aims to build on the success of the delivery of London's rapid charging infrastructure scheme.

The Royal Borough of Kingston upon Thames officers were consulted about this site in pre-application correspondence. The criteria for site selection is set out within the Planning, Design & Access Statement, included as part of this submission.

In accordance with good practice, the application has been submitted electronically via the Planning Portal and comprises the following documentation, which should be read alongside this covering letter:

- Planning Application Form, including certificates
- Planning Application Drawings comprising:
 - Site location plan TFL – 0000-01 Kin 36
 - Existing plan TFL – 0000-02 Kin 36
 - Proposed plan TFL – 0000-03 Kin 36
 - Feeder pillar details TFL – 0000-05 01 (for information)
 - Charging point details comprising plan, side, rear and front elevations TFL – 0000-06 -T
 - Charging point foundation design TFL – 0000-10-T
- Planning, Design and Access Statement (for information), including
 - Construction Methodology in Appendix A
- Fire - Reasonable Exception Form
- CIL form

The planning application fee of £293 has been paid online through Planning Portal (+£64.00 Planning Portal service charge fee), reference PP-12741043

I look forward to receiving confirmation that the application is valid in due course. If you require any further information, please contact [REDACTED] at EVIDtownplanning@tfl.gov.uk.

Yours faithfully
