NOTES

This survey is fitted to National Grid and Datum using GPS, and has been drawn at a scale factor of 1.0000.

Although this survey is tied to National Grid, due to the scale factor, any setting out or design works should strictly use the control co-ordinates contained within the table.

Boundaries shown are physical features on site and do not necessarily represent the legal extents of ownership.

This drawing and the information contained therein is issued in confidence and is the copyright of CSL Surveys (Engineering) Ltd. Disclosure of this information to Third Parties without permission is forbidden as is copying or replication.

Points shown in magenta depict timber pegs as set-out on 01/10/21.
