Dear Tim,

Thank you for your email. That would seem an appropriate approach. Unless any of the previous bricks were salvaged, then I would envisage that new bricks would be more appropriate. Creating an accurate as possible replica of the previous stack would likely be important.

Kind Regards,

Thomas Pinner BA(Hons), MA, MA

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
