Hello,

Further to your letter dated 15/02/2024 (Your Ref: 24/0143/CES), please find the additional information requested below:

1. You requested the 'Planning Application Additional Information Requirement Form.' to be filled. Please find the completed, **form\_1\_cil\_additional\_information.pdf**, attached.
2. You requested a valid location plan - we have purchased this through your accredited provider - please **14SW Location Plan.pdf** attached.
3. You requested additional elevation plans - we have liaised with our builder to produce these - please find the file **14 Snowdrop Way Bisley Elevations & Floorplans.pdf** attached. Please note however that the builder has not included a roof plan as the dimensions and the structure of the roof will remain the same - we are only adding insulation to it.
4. We confirm that we are happy with your amendments to the description of the proposed works.

Hope this addresses all the National and/or Local Validation List requirements. Please do get back to us if you have any further questions or require further information.

Thank you very much.

Kind Regards,

Vajira Ratnayaka
