Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

This application is to alter only Condition 5 of the discharged in full X/23/0262/CND which was approved on Friday 28 July 2023. This approval also covered Conditions 6, 8, 9 and 11 which I do not wish to alter.
The only element in Condition 5 I wish to alter is to replace the proposed new section of ivy screening with evergreen laurel hedging. The reason is for privacy and adding all-round interest throughout the year. Laurel hedging is known to produce nectar for honey bees, bumble bees and butterflies.
No other element in the discharged Condition 5 is to be altered.
