

Bar Scale: 1:100 @ A0

NEW CAR PARKING ARRANGEMENTS.

Existing gravel drives and car parks are to remain.

The hatched area indicates the area an EcoGrid E50 Ultra Duty Ground Reinforcement system which retains the gravel, acts as a permeable base, ensures motor vehicles do not erode the drive and that dustbins can easily be pulled to the kerbside will be laid. It should be noted that this system is already laid in part of this area
