

Schedule of Tree Works to be carried out at Ampney Park, Ampney Crucis, Cirencester, GL7 5RY

To be read in conjunction with the site plan.

1. **T1 Beech sp.** photographs below:

Fell to ground level. There is extensive die back in the crown and the trunk is likely to be decayed given the presence of decay fungi as well as *phytophthora kernoviae* (bleeding canker).
