

**CHANGE OF USE OF LAND FOR EXTENSION OF TRAVELLER SITE TO
CREATE TWO ADDITIONAL PITCHES**

APPLICATION REF. 23/01023/COU

Discharge of condition 6

Surface water

All hard-surfacing will be permeable so the only surface water run-off will be from the roofs of the mobile homes. Surface water run-off from each plot will be to a separate soakaway 2m diameter and 2m deep located in the north-west corner of the plot, as shown on drawing 23.01023.2

Foul sewage

Foul sewage from each plot will be to a separate cesspit, as shown on drawing 23.01023.2. This will be a Kingspan model STS02810, 2800 litre tank.
